Managing Editors: C. Beck, H. Spoendlin

Springer-Verlag Berlin Heidelberg New York

Archives of Oto-Rhino-Laryngology
Archiv für Ohren-, Nasen- und Kehlkopfheilkunde

including bordering fields. Vols. 1 – 97 (1915) Archiv für Ohrenheilkunde. Vols. 98 – 185 (1965) Archiv für Ohren-, Nasen- und Kehlkopfheilkunde. Organ of the Deutsche Gesellschaft der Hals-, Nasen- und Ohrenärzte. Founded in 1864 by A. v. Tröltsch, A. Politzer, and H. Schwartze. Edited by A. Denker, O. Voss, K. Wittmaack et al. Vols. 1 – 6 (1872) in Würzburg, Stahel; Vols. 7 – 128 (1931) in Leipzig, F. C. W. Vogel; Vols. 129 – 150 (1940) in Berlin, F. C. W. Vogel. As of Vol. 151 (1941) in Berlin, Springer. As of Vol. 155 (1947) merged with Zeitschrift für Hals-, Nasen- und Ohrenheilkunde (as Vols. 52 – 155). As of Vol. 186 (1966) it has been published as Archiv für klinische und experimentelle Ohren-, Nasen- und Kehlkopfheilkunde. As of Vol. 206 (1974) the journal has the bi-lingual title of Archives of Oto-Rhino-Laryngology – Archiv für Ohren-, Nasen- und Kehlkopfheilkunde.

Organ of the Deutsche Gesellschaft für Hals-Nasen-Ohrenheilkunde, Kopf- und Hals-Chirurgie. Founded in 1922. Edited by O. Körner, C. v. Eicken, G. Finder, W. Lange et al.

Munich, J. F. Bergmann and Berlin, Springer.

Continuation of Zeitschrift für Ohrenheilkunde und für Krankheiten der Luftwege, edited by H. Knapp, S. Moos, O. Körner, G. v. Eichen et al. Vols. 1 – 82 (1870 – 1922), thereof Vols. 1 – 7 as Archiv für Augen- und Ohrenheilkunde (Vols. 1 – 3 in Karlsruhe, C. F. Müllersche Hofbuchhandlung, as of Vol. 4 in Wiesbaden and Munich, J. F. Bergmann) as well as continuation of Archiv für Laryngologie, Otologie und Rhinologie. Founded by B. Fraenkel, edited by O. Chiari, P. Gerber, O. Kahler, G. Finder, G. Spiess et al. Vols. 1 – 34 (1883 – 1922) in Berlin, A. Hirschwald.

Copyright

It is a fundamental condition that submitted manuscripts have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform or any other reproductions of similar nature, and translations.

Photographic reproduction, microform, or any other reproduction of text, figures, or tables from this journal is prohibited without permission obtained from the publisher.

The use of general descriptive names, trade names, trade marks, etc., in this publication, even if the former are not specifically identified, is not to be interpreted as exempt from the relevant protective laws and regulations and may accordingly be used freely by anyone.

While the advice and information in this journal is believed to be true and accurate at the date of going to press, neither the authors nor the editors nor the publisher can accept legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Authors of this journal can benefit from library and photocopy fees collected by VG WORT if certain conditions are met. If an author lives in the Federal Republic of Germany or in Berlin (West) it is recommended that he contacts Verwertungsgesellschaft WORT, Abteilung Wissenschaft, Goethestraße 49, D-8000 München 2, for detailed information.

Special Regulations for the USA

The Article Fee Code on the first page of an article in this journal indicates the copyright owner's consent that in the USA copies may be made for personal or internal use, provided the stated fee for copying beyond that permitted by Section 107 or 108 of the United States Copyright Law is paid through the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA.

If a code does not appear copies of the article may be made without charge, provided permission is obtained from the publisher.

The copyright owner's consent does not extend to copying for general distribution, for promotion, for creating new works, or for resale. Specific written permission must be obtained from the publisher for such copying.
